The Writing Book—Sheena Cameron 2013-01-01 The Writing Book provides a research-based framework and practical strategies for vocational development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction, developing student-friendly explanations of new words, creating meaningful learning activities; and getting students involved in the writing process. Whether you are teaching writing as a discrete skill or as a component of other academic subjects, this book provides sample classroom dialogues, and exercises for teachers to bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words—.
