Oct 16, 2018 - Existential risk does not necessarily mean that global civilization will collapse. Nor does it exclude pockets of order and even prosperity enduring for generations, from which global or quasi-global civilization may one day emerge, provided worst case scenarios are avoided, such as runaway climate change and nuclear war leading to nuclear

Existential Therapy | BetterHelp Therapy

Nov 11, 2021 - Through existential therapy, we can become more attuned to our inner lives. As we become more aware, we can choose to do things that increase our understanding of the foundational issues at hand. The more we understand, the easier it is to make wiser choices. Balance. The goal of existential therapy is not to eliminate all anxiety.

Jean-Paul Sartre: Existential “Freedom” and the Political

Jan 23, 2013 - The existential notion of freedom is worthy of consideration in political thought because it is a “doctrine of action” (Sartre 2007, 56), which pushes man to find himself again. In Sartre’s words, the intention of existentialism “is not in the least that of pluming men into despair” as it is to allow them to realise themselves as

Wishful thinking - Wikipedia

Wishful thinking is the formation of beliefs based on what might be pleasing to imagine, rather than on evidence, rationality, or reality. It is a product of resolving conflicts between belief and desire. Methodologies to examine wishful thinking are diverse. Various disciplines and schools of thought examine related mechanisms such as neural circuitry, human cognition and emotion, types of

Introduction to Logic and Critical Thinking - Open

Jun 20, 2017 - This is an introductory textbook in logic and critical thinking. The goal of the textbook is to provide the reader with a set of tools and skills that will enable them to identify and evaluate arguments. The book is intended for an introductory course that covers both formal and informal logic. As such, it is not a formal logic textbook, but is closer to what one would find marketed as a

2020 Statement - Bulletin of the Atomic Scientists

Jan 23, 2020 - Editor’s note: Founded in 1945 by University of Chicago scientists who had helped develop the first atomic weapons in the Manhattan Project, the Bulletin of the Atomic Scientists created the Doomsday Clock two years later, using the imagery of apocalypse (midnight) and the contemporary idiom of nuclear explosion (countdown to zero) to convey threats to humanity and the planet.

Neuroscience’s Existential Crisis - Issue 107: The Edge

Oct 27, 2021 - O n a chilly evening last fall, I stared into nothingness out of the floor-to-ceiling windows in my office on the outskirts of Harvard’s campus. As a purplish-red sun set, I sat brooding over my dataset on rat brains. I thought of the cold windowless rooms in downtown Boston, home to Harvard’s high-performance computing center, where computer servers were holding on to a precious 48

Aristotle: Logic | Internet Encyclopedia of Philosophy

Aristotle: Logic. Aristotelian logic, after a great and early triumph, consolidated its position of influence to rule over the philosophical world throughout the Middle Ages up until the 19 th Century. All that changed in a hurry when modern logicians embraced a new kind of mathematical logic and pushed out what they regarded as the antiquated and clumsy method of syllogisms.

Hermeneutic Phenomenology and Phenomenology: A ...

Sep 01, 2003 - Heidegger, on the other hand, further erased any distinction between the individual and experience, interpreting them as co-constituting each other and unable to exist without the other. From this perspective, he saw bracketing as impossible, as one cannot stand outside the pre-
It’s Not Existential | City Journal
Oct 31, 2021 - Anton Chekhov famously said that if a gun appears hanging on a wall in the first act, it must be used in the second act. In the same way, the line is dangerously thin between warning about a peril and creating an atmosphere that makes that peril possible. Ever since last year’s presidential

Philosophical Dictionary: Erasmus-Extrinsic
Dec 25, 2011 - Existential Generalization. A quantification rule of the form: Example: “Polly is a bird. Therefore, there is at least one bird.” This pattern of reasoning is one of the basic principles used by proofs in quantification theory. existential import. The distinguishing feature of propositions that assert the existence of something.
