If you presently mindless a manner to play a role astonishingly, this is the course of action you might just want to see in Strangers on a Train: A Psychological Thriller.
Robert's creation. In these volumes, we find Ripley ensconced on a French estate with a wealthy wife, a world-class art collection, and a past to hide. In (1979), an art forgery goes awry and Ripley is threatened with exposure. In (1980), highbrows uncover Ripley's bizarrely paternal relationship with a troubled young runaway, whose seduction drove them into Berlin's seamy underworld; and in (1991), Ripley is confronted by a snoopy American couple obsessed with the disappearance of an art collector who never lived (as before). More than any other American literary character, Ripley provides "a lens to peer into the sinister machinations of human behavior" (John Freeman, ).
