Patriot Pirates: The Patriot War for Freedom and Fortress

How a Rogue Navy of Private Ships Helped Win the American Revolution

How a Rogue Navy of Private Ships Helped Win the American Revolution

Patriot Pirates highlights the obscure but pivotal role played by colonial pirates in determining British and American fates during the American Revolution. American privateering-essentially legalized piracy-began with a single shot fired at the Arthur Newport off the New Jersey coast in 1776. That shot marked the birth of privateering in the American Revolution. The war would be far crueler, more brutal, and nastier than anyone imagined, but privateering was an integral part of the American war for independence.
